control is done as needed on Wednesday of each week. If you have a pest problem please don't wait until the last minute to report it!

You know how difficult moving is, so plan on staying in your apartment for the remainder of the semester. Most move requests will be to the "**RESIDENCE HALLS**" so you will only have one person to live with. So if you're having trouble with your roommate speak with them first. If that doesn't work, contact your RA and they can help you mediate your situation. As a last resort please contact the housing office.
