MOVE OUT INFO

Your apartment should be in the same or better condition than when you moved into it.

- Come to the Housing office to check out.
- Have your belongings removed along with keys ready to turn in.
- Clean your apartment well.
- Make common area (i.e. kitchen & bath) arrangements with roommates on who's responsible if you're not the last person to leave. Otherwise **everyone** will be charged.
- Do not unplug appliances except your personal mini-fridges.
- Common area damages (i.e. appliances, sofa, carpet) will be billed to **all residents** unless responsible party puts it in writing and turns it into Housing that he/she is taking full responsibility.

KEYS, KEYS, PLEASE!!!

Please check out with Housing so that we can complete your Room Condition Report.

Otherwise you cannot dispute any charges. You must allow us time to check you out; which includes you going to your room with us.

Do NOT leave your keys in your room or with a friend!

M-F between 8:30AM & 5PM you can check out in the Housing office.

Between 5 & 11PM you can check out at the Villas Community Center.

All keys must be received in the Housing office by **May 30th** or you will be billed for a lock change. "The keys are in the mail" will not free you from having to pay for them!

HAVE A GREAT SUMMER.
