Residence Life Newsletter

Where will you live in the spring?

You may have missed the official room sign up week but you still need to make sure that you have all of your paperwork in order for housing next semester.

If you did nothing, you will be in the same space that you are now in for the spring 2010 semester. Your balance for housing will automatically show up on your bill/fee schedule for next semester.

If you did nothing and would like to know if moving is still an option, it is. You can come to the Housing Office and see what spaces we have available. Remember that because the room sign-up process has passed, the number of available rooms is small but there are still some residence hall spaces left.

If you signed up for a different space, congratulations on making a move for next semester. Your new assignment will be on your bill/fee schedule for the spring 2010 semester.

The Pay Date is December 14, 2009

If you are not returning to housing for the spring 2010 semester please make sure that you come to the Housing Office and officially withdraw for next semester. If you fail to go through the correct process the fees for housing will show up on your bill and you could be held responsible for paying the entire amount.

Helpful Tips for Living in FMU Student Housing

- If you have a maintenance problem please put in a work order in the Housing Office. If it is not fixed within 48 hours please call us so we can address the problem and make sure it gets fixed.
- Be respectful of your neighbors. Keep the noise to a minimum. We all have a right to live in a peaceful place.
- If you are having problems with your roommate do a roommate contract. You can pick one up from your RA. This is a great way to start a conversation and to solve some small problems before they get too big.
- Make sure you do your part in keeping the residential facilities neat and clean. If you see a spill (or even cause one) call the Housing Office so we can have someone come clean it up. Take all personal trash to the trash room (NOT under the stairs) and avoid leaving trash in the halls.
